Land Conservation District Committee

# DIY soil sampling training day

Join fellow farmers to learn how to collect accurate soil samples on your farm. The day will include hands on training and morning tea!

**When:** Wednesday 15 November, 9am to 12pm

**Where:** 325 Rocky Rd, Forrest Grove

**RSVP by Friday November 10<sup>th</sup> a:**

<https://lowerblackwood.com.au/events/diy-soil-sampling-training-day-2/>

Or contact Kate Tarrant at [kate.Tarrant@lowerblackwood.com.au](mailto:kate.Tarrant@lowerblackwood.com.au)

**Training will be provided by DPIRD officers.**

**You will learn how to:**

- Take accurate soil samples that represent your farm.
- Set-up the sampling drill and auger.
- GPS your sample locations.
- Use sample bags correctly.

This training is mandatory for all participants of the Healthy Estuaries WA and Soil Wise DIY soil sampling program, but everyone is welcome.

**Preparing for the training:**

- Watch the short training videos before attending the field day.
- Respect biosecurity on our host's property.
- Dress appropriately (hat, boots, fly net etc.).
- Bring a water bottle and sunscreen.
- If possible, bring a charged smart phone or tablet with a SIM card slot (doesn't need a sim).
- Install FileMaker Go 19 if using iPhone or iPad.
- If possible, bring a charged battery drill.
