

Grow your pasture profits workshop

Participants of Healthy Estuaries WA and Soil Wise are invited to join fellow farmers, agronomists, DWER, DPIRD and catchment officers for a workshop and sundowner. You will receive your soil test results, learn how to interpret them, and how to use them to guide your fertiliser decisions. You will also learn more about nutrient management.

The workshop will cover:

-  Soil test results
-  Fertiliser strategies
-  Understanding limits and constraints
-  Nutrient calculator
-  Soil acidity and lime
-  Question time with agronomists and DPIRD officers

and more...

Date: Tuesday 20 February
Time: 12:30pm to 5:30pm (sundowner to follow until 6:30pm)
 Arrive from 11:45am for lunch before workshop starts

Where: The Barn, 294 Bridgelands Rd, Rosa Glen 6285

RSVP: <https://lowerblackwood.com.au/events/grow-your-pasture-profits/>
 Refreshments provided. Please specify dietary requirements at RSVP.

Please bring a smartphone, iPad or tablet if possible.
